

Color Guard

Audition & Clinic @ Herndon High

We're fielding TWO guards under the same organization, an Independent A guard (to be named) and Act 1 in Independent Open!!

We plan to cover dance, flag, and weapon on an Independent Open level of choreography and technique. Don't worry if that will be new to you; we will help ensure everyone learns as much as they can through the course of the audition/clinic.

High School students are encouraged to attend the IO and IA September audition as we will provide a special hands-on clinic for those students interested in the audition process and looking to expand their skills in a supportive and friendly environment. However, any High School students wishing to audition for either guard will need **written approval** from their band or guard director.
