

CONSENT TO SEARCH

Fairfax County Public Schools regulations provide in relevant part that in order “[t]o provide appropriate supervision to control the use of illegal substances or dangerous items on overnight field trips, a search of student luggage shall be conducted” prior to departure and that “[l]odgings may be searched at any time during the trip to ensure the safety of all students.”

Accordingly, no student may be permitted to participate in the School Year 2007-2008 Herndon High School Band trips or activities, unless PART I **OR** PART II below is completed and signed by a parent or guardian.

In light of the privacy issues involved, the Herndon High School Band further requests that each student acknowledge that FCPS requires their lodgings, baggage, or personal belongings be subject to search by the Band Director and trip chaperone on any trip as deemed necessary.

PART I Consent to Search

I, _____ (print parent or guardian name), give my consent to officials of Fairfax County Public Schools and their officially designated representative, including the Herndon High School Band staff and any trip chaperones, to search the luggage of my child/ward, _____ (print student name), in connection with the School Year 2007-2008 Herndon High School Band trips and activities. Also, I give my consent to any search, deemed advisable, of my child’s lodgings while on the trips.
