

Dear Ms. Schoelwer – Congratulations to you and the members of the Herndon High School Band that will be participating in the upcoming 2010 All Virginia Band. We were very impressed to read that several band members from Herndon High School were selected for this highly competitive ensemble and that Mike Milazzo won first place on bass trombone out of the entire state of Virginia.

Please convey the Herndon Town Council's congratulations to Matt Breuer, Mike Milazzo, Justine Myers, Ryan Little and Sean Quaresima. These students should be very proud of their efforts and personal achievements, which are a reflection of their hard work and dedication to the band and to Herndon High School. We wish the students much success as they continue to excel and achieve their goals in school and beyond.

Keep up the good work!

Sincerely,
Steve
