These are the ONLY rehearsals we have as a combined group for the Spring Concert. You are receiving the dates of these rehearsals on February 26th so that you do not commit to other activities on these days. **If you do not attend ALL of these rehearsals, you may not be allowed to perform in our Spring Concert on 5/13, and you will receive a zero for the performance portion (25%) of your fourth quarter grade. Ms. Bonneau will determine who will/will not be allowed to perform based on a case-by-case situation.

This schedule was given to you in February, 2008. You have been given ample notice to place these dates on your calendar!
