# Pride of Herndon Marching Band's Trip Representing the US At the 75th Anniversary of D-Day in Normandy, France

The Herndon High School Band is proud to represent the United States at the 75th anniversary of D-Day in Normandy, France in 2019. The Pride of Herndon will be honoring the brave men of the USS Herndon, the destroyer that led the Allied naval armada in the assault on France. The men of the "Lucky Herndon" were given 10 to 1 odds that they wouldn't come out of D-Day alive. Not only did they beat the odds, their bravery and courage helped win the war.

The band will be marching with the American flag that flew on board the ship on D-Day, and each student will carry a photograph of one of the veterans as they march in France.

### Pride of Herndon HHS Bands History

The Herndon High School Band has been a part of Northern Virginia since 1947. The oldest established high school band in Fairfax County had its genesis when dedicated parents and citizens convinced Vladamir Johnson, a Russian interpreter and part-time music teacher from Washington, D.C., to rehearse a group of fledgling musicians in the rural town of Herndon.

The same program served as an inspiration and model for the instrumental music groups later formed in Fairfax County schools. Today, these program expose thousands of young people to the unique enjoyment of making music together and participating in concerts, festivals and competitions of various categories at the county, state and national level.

Today, Herndon Virginia is a thriving suburb of Washington, D.C. The band program at Herndon High School has mirrored the growth of the town, increasing from that original group of fifteen musicians to more than 150 instrumentalists comprising the following ensembles: Marching Band, Wind Ensemble, Symphonic Band, Jazz Band, and Indoor Drumline, under the direction of Mrs Kathleen Jacoby.
