Pride of Herndon - Herndon High School Marching Band SPONSORSHIP OPPORTUNITY

The Pride of Herndon has been invited to represent Virginia in the 2023 Pearl Harbor Memorial Parade. We're on the final leg of our fundraising efforts - but we need your help.

Can you (help us) deliver the goods?

Our band is just shy of the necessary travel and shipping costs. We are looking for sponsorship to help pay for our instruments to be shipped to the event. The Pearl Harbor Memorial Parade pays respect to the Pearl Harbor survivors, veterans, and active duty military. It takes place in Hawaii each year on the anniversary of December 7th, 1941.

Help us achieve our fundraising goal to send all students and instruments to honor our veterans!

Please contact fundraising@herndonband.org or www.herndonband.org. Donations of any amount gratefully received via the Herndon High School Band PayPal Giving Fund at www.paypal.com/us/fundraiser/charity/2100095 or can be mailed to Herndon High School Band, P.O. Box 1293, Herndon, VA 20172.

Sale on Herndon Band Gear!!

Many of last year's T-shirts on sale now for only \$5!

Stay warm this winter with knit beanies!

GLOSSARY

OF MARCHING BAND TERMS

Auxiliary • The term originally used for the flag/rifle carriers who stood at the front of marching show. Evolved into modern Color Guard when dance and decorative flags were added. Now known as Guard or Color Guard; see Guard/Color Guard for more details.

Battery • Marching Band percussion section that carries drums and marches; is comprised of snaredrums, bass drums, and quads (see Quads).

Cadence • The beat played by percussion during a parade to indicate the marching pace. Also played as the band marches off the field after a field show or rehearsal.

Clinicians • Personnel hired to help out with various sections of the band, as in brass instructor or drumline instructor.

Drill • The steps and positions that make up the Marching Band show. (see Sets)

Drill Book • The notebook that holds each individual student's drill for the Marching Band show.

Drill Down • A marching skills contest conducted along the lines of "Simon Says."

Drum Major(s) • Student conductor(s) who direct the marching band as it plays.

Drumline • The entire percussion section of the Marching Band; includes both the front ensemble and the Battery.

Flags • Flags/silks used by the Guard during a Marching Band show.

Front Ensemble • Marching Band percussion section that does not march but rather plays on the sidelines and are staged at the front of the band during marching competitions. It is comprised of instruments such as tympani, xylophones, gongs, etc.

Guard • A group of students who add color and style to marching band performances with flags and other props. Formerly know as Auxiliary, the term originally used for the flag/rifle carriers who stood at the front of marching show that evolved into modern-day color guard when dance and decorative flags were added.

Pep Band • Small subset of the band that plays for the away football games.

Pit • The front ensemble in a band, also known as pit, is a percussion section that stands in front of the band and does not march. This is because the instruments played by the front ensemble, unlike those played by drumline, are too big to be marched.

Plumes • The feathered portion of the Marching Band hats (very fragile)

Podium • Raised platform upon which conductors stand, also know as Tower.

Quads • Set of 4 connected drums carried by member of the battery. Also known as Tenors or Tenor Drums.

Rifles • Imitation rifles the Guard use in a Marching Band show.

Run-through • Practicing the Marching Band show.

Sabers • Fake swords that the Guard uses in a Marching Band show.

Section • Students who play the same instruments, i.e. the trumpet section.

Section Leader • Band student who is in charge of a Marching Band instrument section; such as "alto sax section leader."

Sectional • A practice or rehearsal by a section of instruments.

Sets • Sub-set of the shows.

Step Off • The precise moment when a Marching Band parade performance starts.

Tenor Drums • Set of 4-6 connected drums carried by member of the battery, also known as Quads

Tower • Raised platform upon which conductors stand, also known as Podium.

Winds • The non-percussion part of the band; any instrument that is played by blowing air.
