Tag Day...

Tag Day is a special event in the Reston-Herndon community, culminating in a lively, free concert in celebration of the band program. It's not just about raising funds—it's about giving back, fostering the arts, and expressing gratitude for the community's unwavering support. The annual door-to-door fundraiser has long been a tradition, allowing residents to engage with and support the Herndon High School Marching Band.

This year's Tag Day holds even greater significance as it marks the final one for Kathleen Jacoby, the beloved band director. After 17 remarkable years of dedication, Ms. Jacoby is stepping down to pursue new, brighter opportunities, leaving behind a legacy of passion, leadership, and musical excellence.

This year's concert is not only a gesture of thanks but also a heartfelt farewell to Kathleen Jacoby. It's an opportunity for the community to celebrate her many contributions, from the hundreds of students she's mentored to the vibrant music programs she's helped build. As she steps down from her role as band director, she leaves behind a program that will continue to thrive because of the strong foundation she built. Herndon's Tag Day may be an annual event, but this year's celebration carries a special weight, honoring a true champion of music education and community engagement.

There has been an outpouring of love from students, alumni, families, and the community, with messages included at the end of the program.

Messages for Kathleen Jacoby

Devon James Pipes 2024	You showed me the beauty, the need, and the independence of the French Horn. A super hard yet super beautiful melody that can flow from a Horn like the sea flowing at it's lightest. I could never thank you enough for being my Band Director, I won't forget these moments until the day of death arrives to my soul.
Gracie Morgan 2022	I'm so proud of you Mrs Jacoby! You genuinely changed my life and countless others, thank you for all of the opportunities you gave to me and my sister.
Jeff Baker 2023	<p>"You were such a big part of my time in high school and I am forever grateful for all things you've done and the opportunities you've given me. You made me into the musician i am today. Thank you for everything Mrs. Jacoby you were the best band director anyone could ask for.</p> <p>PS. Thanks you for letting me chill in the band room my senior year when i didn't want go to my classes:) (if you didn't know i was skipping... uhh oops?) "</p>
Sean 2025	Thank you for being so supportive of my involvement in marching band, and even letting me join put in the first place! The past couple years have been truly amazing. We love you!!
Abby C 2025	Thank you for everything!
Adalyn Puentes Senior 2025	Mrs Jacoby, I hope you know how much we will all miss you and how much of an impact you made on so many of us to keep playing music. We will miss you so much but I know you are also excited for this new job. I wish you the best <3
Aimee Toner Flute 2016	I don't even know how to properly communicate what your grace, kindness, energy, leadership, and generosity has done for me as well as so many others. Thank you so much for everything.
Amy Koerner-Anderson	I've been a fan since my family moved to Herndon and I could hear the marching band practicing in the summer. I would drive my toddlers over to the high school to see and hear the band. Eventually, one of my kids would become a color guard for a short time (dumb knees prevented them from continuing) and got to go to Band Camp, games, and help out at showcase. What a fantastic job you have done for Herndon High and all of the students! What grand adventures you have taken them on! Good luck!
Bianca Gattoni 2027	Mrs. Jacoby, you have no idea how much of an impact you have had on us. Personally you are the reason i do band, i've always had your support and your graceful humor. I'm so sad your leaving but i know you will do great things for band programs. We love you so much!
Brianna 2024	Hey MS. Jacoby. It's your former enthusiastic guard member Brianna here. I'm really sad about you leaving, but I'm glad I got to know before I left. I went back to South lakes and graduated with flying colors. You know, I found out the best thing about you too. I found out that your first name Kathleen means Pure. And the best part was that you were pure enough to let me In the Marching band with open arms! I couldn't be thankful enough. Tell your daughters that their "Cousin" Briski said hi!
Cappy 2026	i'll miss you and you'll always be one of my favorite teachers
Charles Freshman	Mrs Jacoby, I may not have had you for even a year but I've already had a great time being your student
CJ 2027	Thanks for always being cheerful and funny. You've always been my favorite teacher.
David Merlos 2023	Love you and thank you so much for everything Mrs Jacoby
Drew Yost 2023	Mrs. Jacoby, while I know I was far from a perfect student, I can confidently say you made an immense impact on my life as a musician and a person. I may not become a professional saxophonist or composer, but your teaching went beyond that and helped shape me into the person I am today. Music still occupies a large portion of my thoughts daily and I can't envision a future where I don't carry it as one of my greatest passions, thanks to you.

Messages for Kathleen Jacoby

Emely 2025	Thank you for seeing my potential
Eric King 2024	Getting to grow up in the Herndon area brought one very important thing into my life. A love of music and this love wouldn't be as strong without ms. Jacoby cultivating a community of love and acceptance which eased the transition into high school after covid. Ms. Jacoby has done more for me then I'll maybe ever know we're all sad to see her go but hopefully we'll all follow the example she has set
Evita Lewis 2021	You, your teaching skills, the program you raised, and the community you fostered were the biggest reasons I continued pursuing music in college. I couldn't be happier to have participated in the HHS Band program. Thank you for making high school worth it!
Scott Pafumi	Dear Band lady - we will miss you in our famed Performing Arts hallway. I have always enjoyed a good "kevetching" session with you. Good decision you made for your career and your family. I always thought I worked hard and put in a lot of hours in this job, and then I would come out of the building late one evening, and you were still going - megaphone and all. Best of luck in the "Ivory Tower" that is Gatehouse. Don't forget us little people back in the trenches. Dramatically yours, SDP
Grace Foehrkolb 2027	Thank you Mrs. Jacoby for welcoming me into the band family. It has been one of the best experiences I have had. Good luck in your new job!
Gus 2025	Thank you Mrs. Jacoby for everything you always supported me and pushed me to be my best. You have given me the opportunities I never imagined I could have had thank you for caring about me and my family you are like my school mother I will miss you. Have fun at your new job and soar high
Gwen Hooper 2028	"Dear Mrs Jacoby, Thank you for all that you have done for the band and I!"
Helena C 2025	Thank you for everything you've done for me. I'll miss you! Please come visit us as much as possible!! <3
James Luehrs 2011	"Kathleen, Wishing you the best in your future endeavors. Thank you for all that you have done for the HHS Band program. Fondly, the Luehrs Family "
Jason Branting 2017	I still remember my time in the high school band fondly and I think I started high school as you took over as band director. I enjoyed all four years of it! I still find myself roll stepping from time to time, a side-effect of marching band I fear. Visiting high school a year ago, I got to see how much you shaped the band and the current high school band. They were so much better than my year and I'm sure they are just as sad to see you go, but I'm sure we all wish you the best. Take care!
Jason Coleman 2024	"Dear Mrs. Jacoby, Thank you for helping me set new standards to become a better person, clarinetist, and leader. Of all the teachers I've had at HHS, you were the one who taught me the most and enabled me to succeed. I wouldn't be at UVA, nor found my love for marching band, without your support. While I'm saddened that you're leaving so soon after my graduation, I know that you'll be doing great things in your new job. I wish you all the best and hope to see you soon."
Joey Rudek 2017	I could not have asked for a better marching band director and music theory teacher. Wish I had taken band as a course with you, too!
Julia Morgan 2015	Mrs. Jacoby, I am so excited for you to begin your new journey! You have forever changed the Herndon Band Program. I feel so lucky to have been your student. It's because of you that the band program feels like a home for so many. Best of Luck!
Kathy 2027	"Ms Jacoby, I know I am not one of your band students or known you for that long. But that's the thing about you. You change people lives that significantly. And you will be missed by lots of people. It's really heartbreak-ing but we must go on. Thank you for being a huge part of my life! And only if it was for a little while. I will remember those moments and forever cherish them. Even those "Hey Kathy!" You would say each time I walked by. I hope the best comes your way because you deserve it!"

Messages for Kathleen Jacoby

Keny Mejia-Alvarenga 2024	Mrs. Jacoby is the most selfless person I know. She's kind, generous, warmhearted and overall a great person. Dealing with many kids from different ages and having them all listen to her is a challenging job that she took on willingly. Seeing her begin a new chapter in her life means so much considering that she put everyone else before her. Wherever she goes, whoever she's with, she's always got the love and support of HHS Band, staff, and alumni.
Kie	Herndon will be at a loss. You have been truly a blessing and complete joy! I'll miss your humor, wit, and commitment to our students and community. I'll look forward to continuing "seeing" you on Facebook and hearing about your next adventure! You're amazing!
Leland 2026	"Mrs. Jacoby, thank you for dealing with missed notes and stepoffs for over 17 years! Thank you for helping me improve not only my music skills but my leadership skills too. One of the MANY great things about you was how you told us when there were events at other schools, like the Shenandoah brass and Bridgewater marching band days, among many others. Those events 100% helped me improve, but I only knew about them bc you told us. PLEASE come visit, however you can!!! -Your Brass Captain"
Lian 2023	You have been such a great influence to all. Thank you for everything!
Maisha Hannan '22	I have never had such a supportive and caring teacher throughout my education experience. I am truly grateful for all the memories I've made and the impact Ms. Jacoby has had on my presence within the band.
Marcia Mitchell 2022	Kathleen - Thank you for cultivating a love of music at HHS over all these years! As a band parent, watching you work your magic with the students was inspiring. Haley took that love of music with her and proudly marches with the UVA Cavaliers today! You are a teacher none of us will ever forget. Best wishes for continued success in your new role. You will be missed!
Menen 2026	Dear Mrs Jacoby, you were genuinely my favorite teacher, you were the one that made me want to continue and actually start enjoying band. I wish you the best of luck in this new path and I hope everything goes amazing for you. We all love you so much, you are so awesome.
Michael Fullerton 2024	Thanks for being a band director who let their students grow as musicians and as people while letting them retain some of the idiocy expected from teenagers. There is a reason why the band was invited to Pearl Harbor and Normandy, why you won FCPS best teacher in 2022, and won VBODA presidency this past year. You've been the best teacher a high schooler could ask for these past 17 years. Heck, you've been so good, you made a pipeline of music majors to your alma mater, JMU. Have fun with life.
Miranda Brizzolara-Smith 2025	"Dear Mrs. Jacoby, Thank you for some of the greatest 4 years of my life. Being a part of the marching band has meant so much to me, and was one of the best decisions I have ever made. You are one of the best teachers I have ever met, and even though it's sad to see you leave, I'm glad I got to have you as our band director for all 4 years. Congrats on your new job, and make sure you don't forget us, because we certainly won't forget you."
Natalie Branson 2023	"Dear Mrs. Jacoby- For the 4 years that I was blessed to be in your program, I learned so many lessons. I learned how to laugh, to love, to cherish memories, and how to grow. Every memory I have in high school relates back to band. You taught me so many things. From lollipop moments to tackling 8000 pieces of music in Charms, I left Herndon with many memories and many skills. Thank you for being kind, understanding, and a role model. You have touched so many hearts."
Ophelie	"Kathleen, Good luck in your new professional adventure! Thank you for everything you did for our band students! Your accomplishments are truly inspiring. Thanks for instance for bringing our band to Normandy for the 75th anniversary of D Day. :) Your positive impact on students and the school as well as your professionalism were truly admirable!! You will be missed here! See you around! xoxo"
ozzie 2026	We will all miss you so much. Don't forget about us! Thank you for all you have done, we love you!

And thank you most of all for teaching me that doing better than what you did yesterday makes you a SUCCESS!
Seif (Seifuddin Abdul-Rashid) 2017	I would not be who I am today without you. As cliché as it may sound, this program has truly changed me and shaped me into a better person. Thank you, Mrs. Jacoby, for the joy and inspiration you've shared. Congratulations, and I can't wait to see the miracles you'll bring to your next role. Best Section, Altos

You and band enriched their four years of high school, and marching band was a big factor in Jason's college decision. It was a pleasure working with you on the HHSBPA, on the Pearl Harbor trip, and on the Board's Executive Committee. Thank you for all of your hard work! We wish you much success in your future endeavors!
